# Programmable Pipet-Aid® Elite™ 400

## Advanced Pipetting Capability for Laboratories that Don't Require Portability

*The Same Performance Features as the Portable Pipet-Aid Elite Including:*

- Highly intuitive user-friendly programming functions
- Faster, more accurate repetitive pipetting down to 0.1 mL
- Lightweight and comfortable to use with effortless easy touch buttons and comfort pads

The original Drummond Programmable Pipet-Aid Elite set an advanced standard for fast, accurate pipetting in the laboratory. The ergonomic design includes an integral stand to allow the unit to be easily set down when not in use while preventing contamination of the pipet.

**NOTE:** The Programmable Pipet-Aid Elite 400 cannot be adapted or converted to battery use.
